SUBJECT No. 375.

Revival of *Paditara* system.

Mr. M. G. Shamaiengar, Sri Yadugiri Sadananda Vardhini Sabha, Melkote.

Summary of discussion.—The daily *Naivedana* in the Melkote temple was curtailed in the Muzrai Settlement scheme. The people are now paid in the form of money in lieu of it. Pestilences and other calamities have been occurring since then. It is the opinion of those who are versed in Sastras and other caste affairs that the old system of *Daily Paditara* in the form of cooked food may be revived, so that it may be offered to God as *Naivedanam* and then distributed to people thus serving the means of *annasanti* and resulting in prosperity to the king and the people.

Reply of Government.—Will be enquired into.
